

TRAVIS COOK

Greeley, CO 80634

travismcook93@gmail.com

970/371/3021

I am looking for the right company who will let me be creative in my own way and work together with me to build the most beautiful and interactive product we can build. I love collaboration and working with a team, and I am very results focused, so I won't say a job is done until I am sure it is the best thing I could build.

My portfolio is located at : <https://travcook.herokuapp.com/>

Authorized to work in the US for any employer

WORK EXPERIENCE

Operator/Production lead

Amerimax Building Products - Loveland, CO

October 2018 to August 2020

Position requires assembly from start to finish, of all vinyl patio doors and patio door products. I have been the production lead of the patio door department for about 6 months, I have also ran the glass cutter and worked final/glass setting on the main window line. I know how to work at a fast and diligent pace, while also maintaining a quality product standard.
